

Keep your Aflac coverage no matter where life takes you

Health insurance wasn't designed to cover everything. That's why you chose Aflac.

Enroll in Aflac Always® to keep your coverage if you ever change jobs, retire or your employer stops sending payments on your behalf.

With Aflac Always you:

Lock in your current premium rates. The only difference is you pay Aflac directly through bank draft or credit card and autopay makes it easy.

Avoid extra paperwork or waiting when the event occurs. Your coverage automatically transfers to the payment method of your choice. We'll notify you before you are billed.

Protect your benefits. Keeps your coverage in place so there is no gap in claim benefits.

Visit aflac.com/login or download the MyAflac® mobile app to enroll today. Go to My Account, Aflac Always, and follow the steps to enroll.
