Modern protection for modern threats

Help keep your identity secure with Iris Identity Protection brought to you by Aflac.

In 2024, 1 in 5 people targeted by an impostor scam suffered a monetary loss.¹ Plus, 18 million Americans were victims of traditional identity fraud, losing \$27 billion, and \$20 billion was lost to identity fraud scams.² With the increased number of data breaches, impostor scams and phishing attacks, your personal information could be compromised, impacting your finances and mental health.

But you can protect yourself. Your employer and Aflac have teamed up to provide an easy way to reduce your risk of becoming the next victim — at no cost to you.

Identity protection is now available to you as part of your employer’s benefits package.
