

Aflac isn't afraid to travel with you

At Aflac, we're here for you ... always.

Your life is constantly changing, whether you're ready or not. By enrolling in Aflac Always®, you can be sure we're along for the ride, thanks to automatic payments that kick in if you change jobs, retire or if your employer stops payroll deductions.

With Aflac Always:

Your Aflac coverage remains in place without any extra paperwork, and you lock in the same premium rate you enjoyed with your employer.*

You choose when and how your premiums are paid — for example, by bank draft or credit card.

You can keep your coverage in place if you change jobs or retire.

Protecting your policy is free and as easy as 1-2-3! Simply log in at aflac.com/myaflac, select Aflac Always in the left column and enter your payment information.

With Aflac Always, we go where you go. **Sign up today at aflac.com/MyAflac**
